GENERAL AND SPECIFIC INSTRUCTIONS
(Items not listed are self-explanatory)

This application must be prepared in duplicate and filed in the office of the District Manager in which the lands applied for are situated.

This application must be accompanied by a separate, detailed description of your plans for stocking and operating the proposed lease. This plan should include (1) a description and the estimated cost of all structures and improvements you intend to place on the land; (2) a schedule for completion of the improvements; (3) the source of livestock and method of transporting them to the lease area; and (4) your plans for marketing the products.

Item 2a: This form must be used for annual free use permits and leases, and for rental leases for a term of 20 years or less.

Item 3: Describe land, if surveyed, by legal subdivision, section, township, and range; if unsurveyed, by metes and bounds description tied to some corner of the public land surveys, if possible, or with reference to rivers, creeks, mountains, islands or other natural objects or monuments, with approximate acreage.

Item 4a: An Alaskan native is any member of the aboriginal races inhabiting Alaska, of full or not less than halfblood.

Item 5: If applicant is a corporation, it should furnish a copy of its articles of incorporation, evidence of authority to transact business in Alaska, and evidence of the authority of its officers to execute the grazing lease.
